

3/10/10 Legislative Update

Yesterday, the House Higher Education and Workforce Development Committee heard [H.F. 3133](#), the workers' compensation benefits for domestic partners bill. They deleted the provisions dealing with workers' compensation so the bill now only applies to survivor benefits. The companion bill, [S.F. 2764](#), has not been scheduled for a hearing in the senate yet. We will continue to keep you update on the progress of this bill as well as others of MSIA interest. If you have any questions or concerns, please do not hesitate to contact me.

Thanks, and let me know if you have any questions.
